

The Chefs' Warehouse 2008 Product Guide

We are excited to bring you the The Chefs' Warehouse 2008 Product Guide. This digital format will always be accessible to you as its stored online. Refer to it, review it and print the pages you need. You'll find our complete listing of products available, organized by category. Following are a few helpful tips for the use of this document:

Acrobat Reader

The file is best viewed through Acrobat 8. If you don't have the latest version, go to: <http://www.adobe.com/products/acrobat/readstep2.html> to download a version

Navigating the document

When you open the document in Acrobat Reader, use the menu to go to VIEW>Navigation Panels>Pages. In this box, you'll be able to see a thumbnail of the pages and scroll through them. To get to a section easily, go to VIEW>Navigation Panels>Bookmarks. The bookmarks are set up so that you can click on a category and the document will go directly to that category page.

Filesize

If you download the file locally to your computer, it might take a few minutes as its 10MB. It's too large to email through our system. The best way to access it is through the company's intranet: <http://www.dairylandusa.com/Employee/Home.aspx>
