Utah's award winning cheeses

— Beehive Cheese Co. —

In 2005, brothers-in-law Tim Welsh and Pat Ford left the fast-paced world of software and real estate seeking a simple way of life as cheese makers. They traded their grinding commute and laptops for quiet pre-dawn mornings sitting with 500 gallons of farm-fresh milk carefully mixing and warming it for hours to develop their unique cheese.

The Beehive Cheese family is delighted to share our passion with you.

 Pat & Tim

TRADITION YOU CAN TASTE

North Country Smokehouse has been making some of New England's finest artisanal meats and cheeses since 1912. Our authentic charcuterie features only the best hand-selected natural ingredients, traditional cure recipes, and a small batch smoking process over embers of local hardwoods. These mouth watering delicacies are available and can also be custom crafted for professional kitchens. As one of the country's last family-owned smokehouses, we're proud that our products continue to be featured on five-star restaurant menus nationwide.
